Phone Scam Targeting International Students

There have been reports at several universities of telephone-based scams targeting international students. The suspects are contacting the students by phone pretending to be police officers and telling them that they owe money for fines levied against them. Either a credit card number is requested, or the victims are advised to purchase Green Dot prepaid cards to "pay off" fines or face arrest. Actual police department phone numbers are provided to the victims. Once the victims provide their credit card number, the suspects electronically transfer the money. If you are contacted in this fashion, please hang up - do not talk with or provide any information to the caller. Please call University Police at [319-273-2712](tel:319-273-2712) if you receive one of these calls.

Hiring Drivers for Spring 2015 New Student Orientation Airport Pickups

The International Student & Scholars Office is hiring UNI students who are willing and available to serve as drivers of 7-passenger vans that will be used to make multiple trips to the Waterloo Municipal Airport and possibly the Cedar Rapids/Eastern Iowa airport during the period of January 2-5. These students will be an important part of our efforts to welcome new international students to UNI and to Iowa beginning with airport pickup, driving back to

campus, and connecting with Department of Residence staff for check-in. Some new students may need to be driven to off-campus housing. Preference will be given to upperclass undergraduate students and graduate students, but other responsible applicants with good driving records will be considered. A valid Iowa driver's license is required and the University will check license numbers and driving records before vehicle use is approved. Drivers must be willing and available to communicate frequently with ISSO staff via personal cell phones and e-mail before and during the January arrival period, and must be available for training in December. Drivers will be paid \$8.00 per hour and will be on duty approximately 10 to 20 hours during the arrival period. The actual number of duty hours available will be determined by the number and frequency of new student arrivals. If you would like to apply, please send an e-mail message to Ross Schupbach at ross.schupbach@uni.edu that includes your name, UNI ID number, and an essay explaining why you would be a good candidate for one of the driver positions.

Students Leaving Following Fall Semester

Students currently living on campus who are NOT returning to UNI in the spring must cancel their housing contract prior to departure to avoid charges. Students must go to their hall office and complete an Intent to Cancel form. By doing this, your contract will be canceled without any penalty or fees. This ONLY applies to students who are not returning to UNI in the spring, not those who would simply like to move off campus. Please direct any additional questions to Jean Wiesley at jean.wiesley@uni.edu.

Full-Time Enrollment Requirement

This is a reminder that all F-1 and J-1 students must be registered as full-time students (12+ hours of undergraduate credit or 9+ hours of graduate credit). Being enrolled less than full-time without proper approval will result in the loss of your good immigration status and may prevent you from earning your UNI degree. Even worse, you could be arrested and deported from the USA! If you have questions, do not ask your friends, but ask the professional staff in the International Students and Scholars Office. You should review the reminders [here](#) at least once per semester. Exceptions to the full-time rule are: certain academic difficulties (improper course level placement, initial difficulty with American teaching methods), medical/health reasons, final semester of study, and graduate students working full-time on research or dissertation. ALL of these exceptions MUST be approved by the Immigration & Visa Coordinator in advance!

Local Community School Cultural Exchange Program

Become a part of our Local Community School Exchange Program by volunteering to educate local community school children about your country's culture and customs. Play a game, create arts and crafts, cook a national dish, or come up with your own ideas! We are currently looking for students to present both this semester and Spring 2015. If you are passionate about educating others about your culture, and you want to interact with the community, then sign-up TODAY!! More information and application forms can be found [here](#). If you have questions, please contact Shelby Huster at interntional.services@uni.edu.
